1989 W126 300SE, 5-speed manual. ... Your best bet would be to find engine mountings from a W126 OM603 and add spacers to increase the width to the W123 engine bay. The OM606 really should have its ECU and vacuum system for best performance. But if you have all the bits, finding a location for them shouldn't be too hard - after all, the 280E ...
