Beyond Preservation

Beyond Preservation proposes a framework for stabilizing and strengthening inner-city neighborhoods through the public interpretation of historic landscapes. Its central argument is that inner-city communities can best turn preserved landscapes into assets by subjecting them to public interpretation at the grass-roots.

Beyond Preservation by A. Dwight Baldwin, Judith De Luce, Carl Pletsch Book Resume: The theory of preservation assumes that humans are different from and opposed to the rest of nature. The contributors to "Beyond preservation", on the other hand, explore their belief that humans are inextricably entwined with nature and therefore have an unavoidable impact on the entire ecosystem.
