Echoing the work of Eliga Gould, Border Law is a legal history that uses the series of campaigns that are known collectively as the “Seminole War” (1816–1818) to address questions of nation building, the boundaries of citizenship, identity, race, and international standing/law. Rosen argues that the U.S. used legal issues that arose from the Seminole War to: insist “that it was a full-fledged member of the European diplomatic and legal community” (2); draw legal, territorial, and ...

The Seminoles subsequently began raiding American settlements along the Georgia-Florida border. In what many writers identify as the beginning of the First Seminole War, in November 1817, U.S. soldiers attacked the Seminole village of Fowltown (near present-day Bainbridge, Georgia), and a battle ensued. In retaliation, a group of Seminoles ...
