Same-Sex Domestic Violence: Strategies for Change. Sage Series on Violence against Women. Leventhal, Beth, Ed.; Lundy, Sandra E., Ed. While a great deal has been written on domestic violence, the focus has been primarily on the violence of men against their current or former wives or girlfriends. Yet studies have shown that partner abuse is as common and severe among same-sex couples as among heterosexual couples.

Masculinities and Violence, the latest volume in the Research on Men and Masculinities series, takes a sobering look at men and violence. Editor Lee H. Bowker has carefully chosen essays that shed light on the causes and settings of masculine violence. The three essays in Part I lay out the ways in which men learn violence and repeat it. Part II focuses on the ways men victimize women and children.

Violence perpetrated by and against men and boys is a major public health problem. Although individual men's use of violence differs, engagement of all men and boys in action to prevent violence against women and girls is essential. We discuss why this engagement approach is theoretically important and how prevention interventions have developed from treating men simply as perpetrators of ...
