International Journal of Comparative Labour Law and ...

Overview. Industrial relations examines various employment situations, not just ones with a unionized workforce. However, according to Bruce E. Kaufman, "To a large degree, most scholars regard trade unionism, collective bargaining and labour-management relations, and the national labour policy and labour law within which they are embedded, as the core subjects of the field."

Industrial relations - Wikipedia

Comparative Employment Relations: An Introduction | Wiley. This major new textbook provides a concise introduction to employment and industrial relations. Unlike many other textbooks, this adopts a comparative approach, examining the changing nature of employment practices in relation to the processes of globalization, and engaging critically with the literature on Human Resource Management.
