That's when Rice accepted a referral from Diane Whitaker, OD, chief of the Duke Eye Center's vision rehabilitation service, to see a driving evaluator. The referral was part of a formal protocol Dr. Whitaker has developed to help retrain adults who have lost vision in just one eye (monocular vision loss), whether that loss is caused by ...

Learning to Live with One Eye | Duke Health

Living Eyes is the Bee Gees' sixteenth original album (fourteenth internationally), released in 1981. The Bee Gees turned away from the disco sound that was prominent on their work in the middle-to-late 1970s with this album. However, the album was not a commercial success, perhaps due to their being so strongly associated with disco.

Living Eyes (Bee Gees album) - Wikipedia

Eye looking up but head down. Head lowered and eyes looking back up at the other person is a coy and suggestive action as it combines the head down of submission with eye contact of attraction.

Eye reading: Know people by looking into their eyes!

Living is easy with eyes closed
Misunderstanding all you see
It's getting hard to be someone,
but it all works out
It doesn't matter much to me
Let me take you down, 'cause I'm going to

What Eye Problems Look Like - WebMD

Horasis is a Greek word that refers to the type of vision we have when our Spirit man looks through our physical eyes and our physical body is able to see what our spirit sees. This may sound a bit confusing but it is just a transfer of information from our spirit to our body. At times what you see will be something in the physical realm.
