Melina Marchetta's Lumatere Chronicles is like the crowning jewel of the young adult fantasy genre, so of course I had huge expectations coming into Quintana of Charyn. Twice now, Marchetta has delivered indescribable stories of a cursed land, a nation of refugees, a series of powerful characters who exemplified hope, vengeance, and forgiveness rising from great tragedy, all through two unforgettable books.

Quintana of Charyn may not be as action packed as Froi of the Exiles, but it is still written in the poetic and unforgettable prose of Melina Marchetta. As in Finnikin of the Rock and Froi of the Exiles, the story of Quintana will make you laugh, cry, and sometimes even sigh (in frustration and contentment). I will miss you Lumatere.
