Endured Black Friday and snagged a
242-S11 at BJ's for \$699. I'm assuming
the S11 at T11 are similar. The Olevia
website does not list many of the model
numbers and it is very confusing trying
to compare 2, 3, and 5 series with
similar screen sizes. I am very pleased
with the set and found the HD football
games this weekend great.
