Gardening in the Pacific Northwest | Better Homes & Gardens

For example we plant beets every three weeks from March through July and arugula every week from March through mid-Sept. During our first several years of growing in the Puget Sound, we consulted the Maritime Northwest Garden Guide for wisdom on the best first and last planting dates for our region. Now, after many years of trial and error, we've put together our own Pacific NW Planting Calendar with a more comprehensive crop list and dates that are more specific to the Puget sound.
