What is Reliability Centered Maintenance (RCM)?

The focus of today's article will be on the latter, reliability-centered maintenance (RCM). Put simply, RCM is a type of maintenance that focuses on the reliability of a system or module, and not on its functionality.

What Is Reliability Centered Maintenance (RCM ...

The maintenance schedule for the 747-100 was the first to apply Reliability Centered Maintenance concepts using MSG-1. And it achieved a 25% to 35% reduction in maintenance costs compared to prior practices.

Reliability Centered Maintenance: 9 Principles to Know

Reliability Centered Maintenance analysis is only as effective as the team behind it. The most effective cross-functional teams include maintenance employees, project leaders, subject matter experts, and if possible, executive leadership. Additionally, documenting procedures and your project plan can be vital to keeping your team on track.

Reliability Centered Maintenance : James Gehris ...

Reliability-centered maintenance is designed to be performed continuously as opposed to a one-time analysis. It is a valuable tool that enables you to extend the life of your assets, maintain their integrity, minimize or eliminate unplanned downtime and reduce maintenance costs. Reliability-centered maintenance can help you:

Reliability-Centered Maintenance: An In-depth Look ...

Reliability centred maintenance (RCM) is a corporate-level maintenance strategy that is implemented to optimize the maintenance program of a company or facility. The final result of an RCM program is the implementation of a specific maintenance strategy on each of the assets of the facility. The maintenance strategies are optimized so that the productivity of the plant is maintained using cost-effective maintenance techniques.
