For all its ups and  
downs, pregnancy is  
measured in days,  
weeks and months --  
while the rest of our  
life is usually counted  
in years. So at some  
point in the future --  
maybe two babies or  
two decades from now  
-- I hope you'll be glad  
to have a keepsake full  
of memories from this  
fleeting, amazing, life-  
changing time.
