WordPress is well-known for its ease of installation. Under most circumstances, installing WordPress is a very simple process and takes less than five minutes to complete. Many web hosts now offer tools (e.g. Fantastico) to automatically install WordPress for you. However, if you wish to install WordPress yourself, the following guide will help.

How to install WordPress | WordPress.org

5. Take the 10-minute evacuation challenge. To ensure that you and your family are fully prepared for a sudden evacuation, do a real-time test. Give yourself just 10 minutes to get your family and belongings into the car and on the road to safety. By planning ahead and practicing, you should be able to
