“Cities are built Top of FormBottom of FormTop of FormBottom of Formupon the things from which humanity attempts to derive its ultimate significance. Whether centered around a mosque or a financial district, a cathedral or an entertainment sector, all cities are built in honor of and pay homage to some type of a ‘god’.” Kindle location 452

Book Summary: Why Cities Matter | Midwest District Blog

ing cities of the world (as well as to the regenerating cores of Western cities), but very few American Christians have lived in urban centers or even like them. We need churches everywhere there are people, but the people of the world are moving into the great cities of the world much faster than the church is. And therefore we must call Christians
